THE WHITTEMORE CO.

Manufacturers' Representative

Identifying and Developing Solutions to Enhance Profit

THE PINNACLE OF MANUFACTURING EXPERTISE

WHO WE ARE

The **Whittemore Co.**, a manufacturers' representative agency, provides sales, technical and marketing support services to the metalworking industries.

Our combined experience of over 225 years allows us to be the experts in the products we sell, while also providing customers' troubleshooting services for any sales and technical issues. Our technical applications expertise ensures that our customers are receiving the best solutions to their manufacturing challenges.

We engage our principals, channel partners and end users in an ethical and professional manner.

OUR STRENGTHS

- Application based, limited product line philosophy
- Well-established, with a long and prestigious history
- Exceptional lines of communication with principals, channel partners and end-user networks
- Industry experienced, knowledgeable and professional staff
